## MEDALS FOR VARIOUS DISCIPLINES

You can order medals for all sports events: running, triathlon, swimming, cycling, martial arts and many more. We will take into account the nature of your event, the discipline, categories and number of awarded participants. You can be certain that all the awards are coherent and match the image of your event.

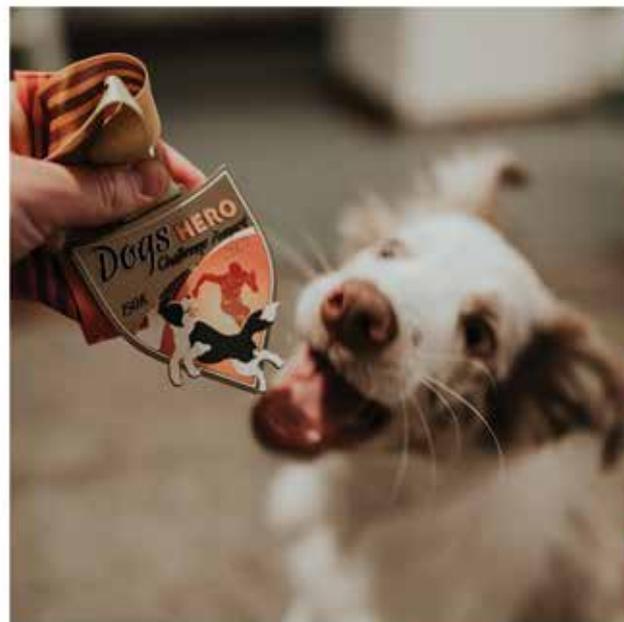

# MEDALS FOR ANIMAL LOVERS

Running with a dog is becoming increasingly popular. The key element in this type of activity is a unique cooperation between the animal and the owner. It is a new experience for both the dog and the competitor. Their joint effort is honored by our special medals and trophies.

# PASSION TO CREATE

The secret of our awards lies in unlimited designer creativity and innovative technology mixed with craftsmanship. Our products are both useful and artful.

#sports trophies

## AWARD SETS

There are endless possibilities to create your unique awards sets. No matter what you choose we make sure that each and every award is visually coherent.

# WHAT DO YOU GAIN BY ORDERING AWARDS SETS?

The awards kits are not only a way to recognize the best, but also a great way to honor the effort and toil of participants and partners.

# COMPREHENSIVE SERVICE

We are there for you on each stage of the process, from the first contact to the delivery to your door. With the help of our graphics department we will design the best possible product for you. Our technical department will make sure of the top notch quality.

### **ORDERING MEDALS? MAKE SURE TO ASK ABOUT TROPHIES**

When ordering medals make sure to ask about our sets. We have a special pricing for complementary products such as statuettes, key rings, bottle openers and clothing.

# SECRET OF OUR PRODUCTS

We want everyone to experience the highest quality and unique craftsmanship. We developed our own, patented technology which allows us to design works of art.

## UNIQUE DESIGN

An individual approach to customers and their needs is our way to go. Together with a talented team of designers we create something new every time.

## 3-D EFFECT IN FULL COLOR

With our patented technology our products are easily distinguished among others thanks to an unlimited palette of colors and an amazing, three-dimensional effect which you can feel under your fingertips.

## HIGH-QUALITY MATERIALS

We always combine various materials with extra care to minimize environmental impact.

## PRECISE FINISH

Attention to detail is one of our main features. Meticulously refined details highlight the quality of the product and the event.

**#business statuettes**

# AWARDS TO HIGHLIGHT YOUR EVENT

Our offer includes products that complement each other, including medals, statuettes, badges, bottle openers or pins. You can order a dedicated set of awards tailored to your event. We manufacture statuettes for company anniversaries, best business partners, best sales representatives, outstanding achievements or as a gratitude for sponsors.

# PERSONALIZATION

Innovative technology allows us to personalize even a very large number of awards, regardless of the design you choose.

## FIT FOR YOUR BRAND

Over the years we have had the opportunity to work with numerous companies and corporations, therefore we now know how important it is to adhere to the principles of visual identification. We make sure that the final product is consistent with your brand.

## FIT FOR YOUR EVENT

We understand what you want and we create the final product in line with your vision. Let us make your event a special one.

## ENVIRONMENTALLY RESPONSIBLE DESIGN

While manufacturing on a large scale we do not forget about ecological solutions. We use products made with natural and recyclable materials and we support the „zero waste” ideas.

**#commemorative medals**

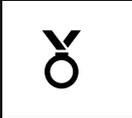

## FOR THE BEST BY THE BEST

Medals can be a great way to recognize a special conference, an industry event, an anniversary or an outstanding achievements of employees. Next to statuettes they can be a souvenir from an important event. While designing them we take into account the type of the event and emphasize its prestige.

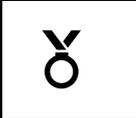

## QUALITY

We focus on the highest quality of our products at every stage of production. Attention to detail and precision can be seen in our final implementations. Our goal is to achieve 100% satisfaction of our customers.

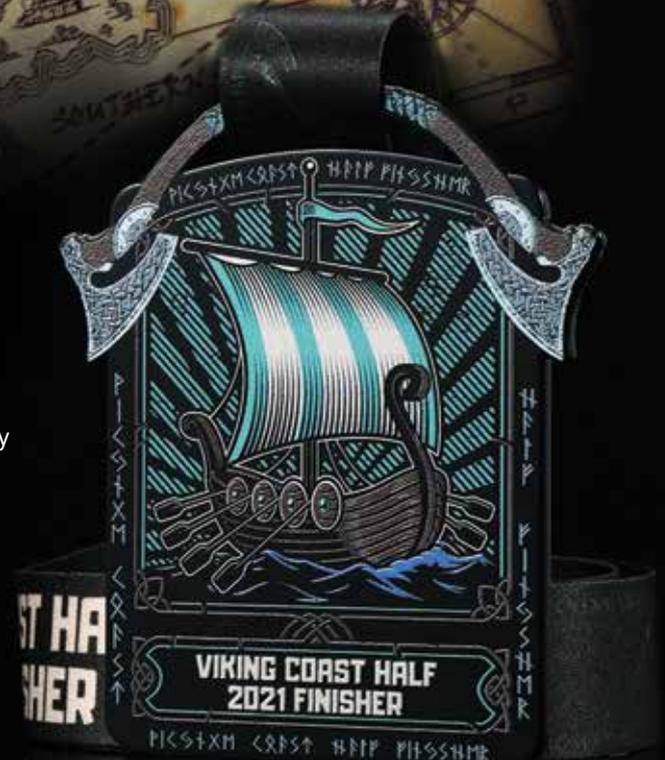

## DESIGN

Our team of qualified designers strive to create original patterns tailored to customer needs and the nature of the event. We always focus on delivering the most unique products.

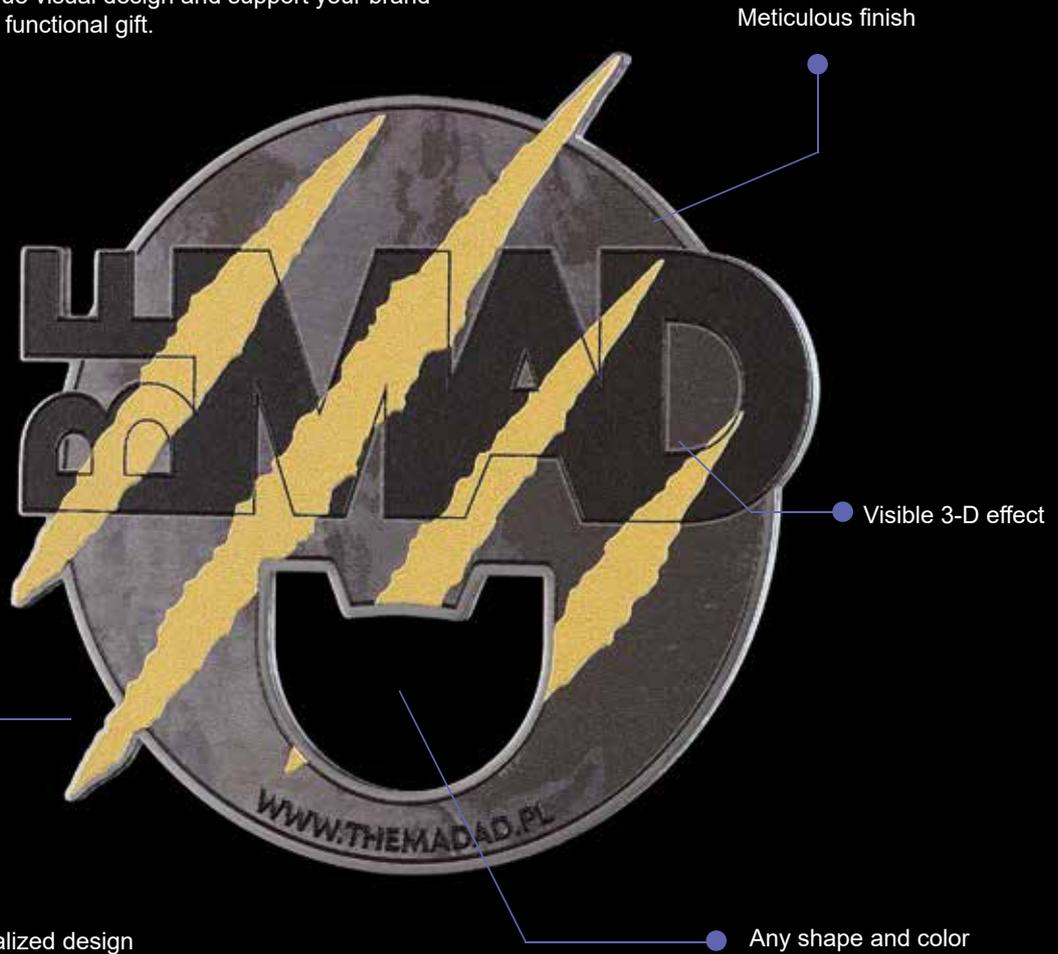

# INNOVATION

We use our patented 3-D texturing technology when creating our products. The Research and Development department is constantly improving our process and searches for new solutions.

# AESTHETICS AND UTILITY

Our bottle openers come in both traditional and sophisticated shapes, and they can be monochromatic or multicolored. They always carry your unique visual design and support your brand while remaining a fully functional gift.

#bottle openers with logo

# VARIOUS FORMS

Our complementary products come in unusual shapes and surprising design, yet we do not forget about their utility functions. Using them on a daily basis will remind the user of the event for which they were created.

# USEFUL AWARDS

When designing even the fanciest bottle openers, we never forget about functionality and usefulness. They serve as a practical gift to help you in building positive relationships with your co-workers and business partners. They are small in size but big in effect.
